Driving the most impactful disclosure in 2024

We've made exciting changes to further streamline reporting for organizations and generate the most comparable, comprehensive, decision-useful data.

A single **integrated corporate questionnaire**, empowering organizations to better assess environmental risks, opportunities and impacts.

Increased alignment with standards and frameworks, delivering the comparable, decision-useful data the market needs and preparing organizations for compliance.

A new, tailored questionnaire and enhanced guidance **for Small and Medium-sized Enterprises** to ease their reporting burden and accelerate climate action.

A new, **efficient Portal for reporting**, ensuring CDP continues to support the exponential rise in disclosure and supporting a streamlined, resource-friendly disclosure experience.

CDP Registration and Portal

Register to disclose online form

CDP 2024 | Reporting your environmental information through CDP Platform

Register to disclose

CDP is the world's only global environmental data repository. When your organization discloses to CDP, you'll be part of the thousands of companies, investors, cities, states and regions using data to drive progress in the battle against climate change and nature loss. [Read more about disclosing your environmental data.](#)

This form is for you if:

- You want to register an organization that is not yet disclosing; or
- You want to be added to an organization that's already registered, but has no active users.

Once you've submitted your details, you'll hear from us within five working days.

New CDP Portal

The screenshot displays the CDP Portal interface for a 'Performance Test Organisation 1'. The dashboard includes a sidebar with navigation options like 'HOME', 'MANAGE ORGANIZATIONS', and 'DATA & INSIGHTS'. The main content area shows a 'Track' progress bar with '200 days remaining' and a 'Closing date: 01 Oct 24'. Key metrics include 'List Status: Active', 'Organisation count: 1', and 'Submitted Response Rate: 0%'. A 'Response rate' section shows a bar chart for 'No response' at 100%, 'Activated' at 0%, 'Amended' at 0%, and 'Submitted' at 0%. A 'Suggested key action' list includes 'Chase non-responders', 'Engage organizations', 'Engage organizations', and 'Create a Collection'. A 'Your CDP score' section shows 'No Score'. A 'Latest campaigns' section features 'Engage with organizations' and 'Non-Disclosure campaign'. A 'ToDo List' on the right includes tasks like 'Create your target disclosure list' and 'Add organisations to list'. A 'Next' button is visible in the top right. A modal overlay in the bottom right shows 'Overall progression 96%' with a progress bar and 'SAVE' and 'SUBMIT' buttons.

Track progress of your response

Overview of your questionnaire response by section

See which questions have been “answered”, “skipped”, “unanswered” or “reviewed” giving better visibility on how you are progressing through your response

Improve the quality of your response

- ▶ View guidance and help directly alongside questions in the same screen
- ▶ Reduce the risk of error, with increased warning notifications if:
 - Data provided is invalid
 - An answer does not match another data point
 - Mandatory questions are not filled at stage of submission

The screenshot displays the CDP Climate Change 2023 reporting interface. At the top, it shows navigation options like '< Back to Overview' and 'Climate Change 2023'. Below this is a progress bar for 'C01' with various status indicators (green checkmarks, yellow warning, red error). A 'Reviewed' badge is visible, indicating the status of the response.

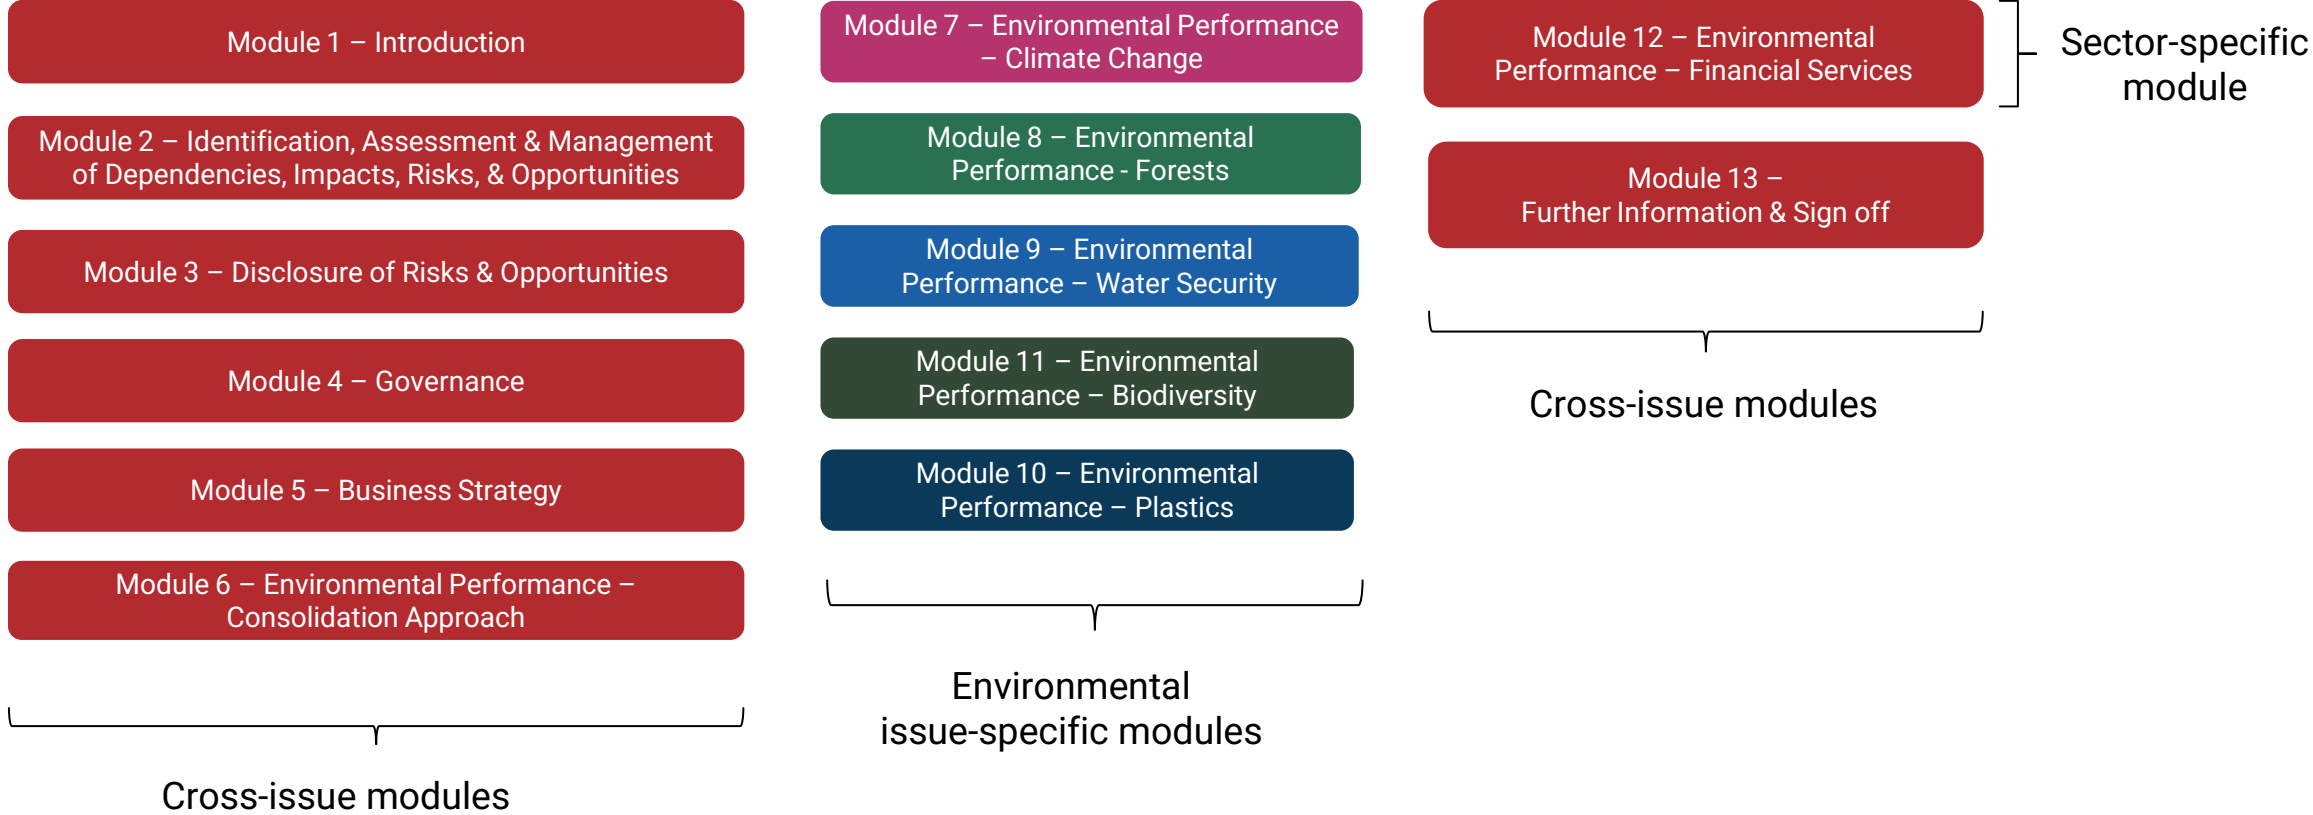

The main content area features a table titled 'Provide your base year and base year emissions.' with the following columns: Target reference number, Is this a science based target?, Target ambition, Year target was set, Target coverage, Scope, and Scope 2 accounting method. The table contains five rows of target data, each with a 'Please select' dropdown for the science-based target status.

On the right side, there is a sidebar with instructions for 'C04 - 1A' under the heading 'Provide your base year and base year emissions.' It includes a 'Tags' section, a list of related articles, and a 'How to respond to' section with a 'Column 1 - Target Reference' dropdown. Below this, it shows 'How we score this question' with a maximum of 4 points and a current score of 4. The sidebar also contains detailed scoring criteria for management points.
