GSMA™ Security Accreditation Scheme

✓ Accredited Supplier

Scope of Certification

Production Site: **Trasna Solutions d.o.o**

Site Address: **Patriotske lige bb, 75320 Gračanica, Bosnia and Herzegovina**

Supporting site(s) details: **Not applicable**

The auditors were provided with appropriate evidence that the processes and controls on the audit dates were consistent with those required by the SAS-UP Standard *v9.2* and the SAS Consolidated Security Requirements *v11.0*, with the following scope:

Generation of data for personalisation:	UICC	**Personalisation:**	Card
Management of PKI certificates:	Not carried out at this site	**Post-personalisation packaging:**	Card

Notes & Exclusions:	In addition to the activities carried out within the scope of SAS-UP certification, Trasna participates in an eUICC production chain. Trasna receives eUICC production data from a third-party and performs a trans-ciphering operation before providing the production data to other third-parties to conduct personalisation. The auditors are satisfied that appropriate controls are applied to preserve the confidentiality and integrity of the production data.
