Security Accreditation Scheme

Scope of Certification

To be viewed as part of Security Accreditation Scheme Certificate No: MT-CI-UP-0425

Production Site: Mobismart Card Technology Private Limited

Site Address: 1355/1A, 1356/1M3 Chinnammal Nagar Road, Thaiyur B Village, Kelamabakam, Thiruporur Taluk, Kancheepuram District, Chennai, India

Supporting site(s) details: Not applicable

The auditors were provided with appropriate evidence that the processes and controls on the audit dates were consistent with those required by the SAS-UP Standard v9.2 and the SAS Consolidated Security Requirements v11.0, with the following scope:

Generation of data for personalisation:	Not carried out at this site	Personalisation:	Embedded
Management of PKI certificates:	Not carried out at this site	Post-personalisation packaging:	Not carried out at this site

Notes & Exclusions: MSCT Chennai performs personalisation of embedded form-factor UICCs on an OEM basis using personalisation data and personalisation platforms supplied by its customers.

- Data is protected by customer-managed encryption keys and decrypted using customer-supplied tools as part of the personalisation process.
- MSCT Chennai has not demonstrated any key management controls or systems as part of the audit process.

Production activities for card form-factor UICCs that take place at the site have not been presented for audit and are specifically excluded from the scope of the site's SAS-UP certification.
