Security Accreditation Scheme

Scope of Provisional Certification

To be viewed as part of Security Accreditation Scheme Certificate No: SN-FN-UP-0725

Production Site: Sinc Novation Falkenstein GmbH

Site Address: Hammerbrucker Straße 3, 08223 Falkenstein, Germany

Supporting site(s) details: Not applicable

The auditors were provided with appropriate evidence that the processes and controls on the audit dates were consistent with those required by the SAS-UP Standard v9.2 and the SAS Consolidated Security Requirements v11.0, with the following scope:

Generation of data for personalisation:	Not carried out at this site	Personalisation:	Card
Management of PKI certificates	Not carried out at this site	Post-personalisation packaging:	Not carried out at this site

Notes & Exclusions: Sinc Novation Falkenstein performs personalisation of card form-factor UICCs on an OEM basis for a single customer using customer-supplied data production data and personalisation systems. Although Sinc Novation Falkenstein maintains and operates its own key management team, processes and systems, these do not form part of the production environment used for personalising UICCs on an OEM basis for the single customer and have not been included as part of the SAS-UP audit process.
